Pumping 2019—SEND IN THE CONTRACTS!

The penalty for not complying is 5 years in jail and a \$100,000 fine along with being evicted. If total compliance is not met, the marina also can have the same implications. If you have a houseboat at the marina you must have a pumping contract. This is a federal law. We take this law seriously, also evictions from the marina will occur. Send your contract today! Thanks for keeping our Norris Lake waters clean and beautiful.

Boat Insurance Required 2019—Please Mail us a Copy!

We will require a minimum of \$300,000 limit liability insurance but recommend \$1,000,000 liability insurance. A suggestion to some will be to add your boat to your homeowners insurance. We will require a copy to be put on file with your lease. This is an inexpensive way to protect your family, friends and boat. A costly boating accident, fire, raising of a sunken boat or damage to your neighbor's boat or dock may cost all of us our hard earned savings. It's a small investment to pay for a good night's sleep. It is a new year so make sure you are protected.
