Slips Open

Call your and friends, we have a few slips and lifts open. The leases are one-year leases. One-Year Lease on...

4000LB Lift – \$230 a Month

Boat Insurance Required by January 2019

We will require a minimum of \$300,000 limit liability Insurance but recommend \$1,000,000 liability insurance. A suggestion to some will be to add your boat to your home owners insurance. We will require a copy to be put on file with your lease. This is an inexpensive way to protect your family, friends and boat. A costly boating accident, fire, raising of a sunken boat or damage to your neighbor's boat or dock may cost all of us our hard earn savings. It's a small investment to pay for a good night's sleep. It is a new year so make sure you are protected.

Slip Leases Automatically Renew

Our slip leases are contracts for one year. If Sequoyah Marina is not notified 30 days prior to renewal, the lease automatically renews for another year. You, the customer, are responsible for the lease until your contract is fulfilled. If you have sold your boat, please be aware of this legal document. You are still responsible for your lease commitment. If you have any questions or would like a copy of your lease please call or email us.
