“NOT ALLOWED”—Rental of Floating Houses and Houseboats!

Under no circumstances is any Customer permitted to advertising or rent their Floating House or Houseboat at Sequoyah Marina! Your neighbors on the dock and Sequoyah Marina Management feel that having multiple unknown people on the dock and on your Floating House or Houseboat is not providing a safe environment for their houseboats or their families. It creates multiple safety issues with people operating equipment they are not familiar with. For those who are doing this you have the option of discontinuing rentals or leaving Sequoyah Marina. Any customer found renting their lease will be terminated. Paragraph 12 in your lease states: Customer agrees that no boat docked or stored at the Marina by Customer shall be leased or rented to any party.

State Requirements for **Life Jackets.** In states where no children's **life jacket** law is in place, a U.S. **Coast Guard** interim rule requires **children under 13** on moving boats to wear a U.S. **Coast Guard** approved **life jacket** that fits.
