Boat Insurance Required 2020

We will require a minimum of \$300,000 limit liability insurance but recommend \$1,000,000 liability insurance. A suggestion to some will be to add your boat to your home owners insurance. We will require a copy to be put on file with your lease. This is an inexpensive way to protect your family, friends and boat. A costly boating accident, fire, raising of a sunken boat or damage to your neighbor's boat or dock may cost all of us our hard earned savings. It's a small investment to pay for a good night's sleep. It is a new year so make sure you are protected!

Slips & Lifts	\$180 to \$375 a Month!

Pumping 2020 Contracts Due!- Check on our Website!

The penalty for not complying is 5 years in jail and a \$100,000 fine along with being evicted. If total compliance is not met, the marina also can have the same implications. If you have a houseboat at the marina you must have a pumping contract. This is a federal law. We take this law seriously so evictions from the marina will occur. Send your contract today! Thanks for keeping our Norris Lake waters clean and beautiful.

Compactor-NO Building Materials— NO Mattresses-Please

refrain from putting any building materials, mattresses, TV's, refrigerators, screen doors, any kind of furniture, lumber, tires, and carpet into the compactor. The items that Waste Management allows are normal everyday trash similar to your everyday home trash. All other such items listed above should be taken to the dump and disposed. None of these items are to be left on the marina ground. Please help us keep the area neat and clean.
