Your One Stop, Sanitation Stop
Pumping Contract
Sequoyah Marina
'2018 Clean Marina'
(Pumping Dates)

(First pump out April 19th every other week October 18th last!!)

The cost of this contract will be \$500.00 for months listed above (total 14 pump outs).

Once a week \$975.00 (total 28 pump outs).

Contracts *must* be paid in full and postmarked by April 10th for discount after that date the cost will be \$525.00. NO Special rates unless new owner.

Service charge of \$35.00 and .75 per gallon, if needed other than regular pumping dates.

Anything over 200 gallon will be billed at end of season. .50 cents per gallon each pumping

This contract shall follow all the laws of the Tennessee and TWRA or houseboat waste and the guidelines of TVA for this project.

The day of pumping under this contract will begin on Thursday every other week thereafter. The owner of the houseboat must sign this contract and make advance payment to Norris Lake Pumping. As an additional service to you, Norris Lake Pumping will ensure that TVA receives documentation of the contract and proof of payment. This project and contract is good only this year 2018. All collection of pumping records from each houseboat will be sent to TVA for monitoring this project.
